Deleting a Youtube video

In order to delete a Youtube video you will need to navigate to youtube.com and then login to your account.

Once logged in click on your profile icon in the top right hand corner and select "View your channel".

Then select “Your videos” from the left hand navigation menu.

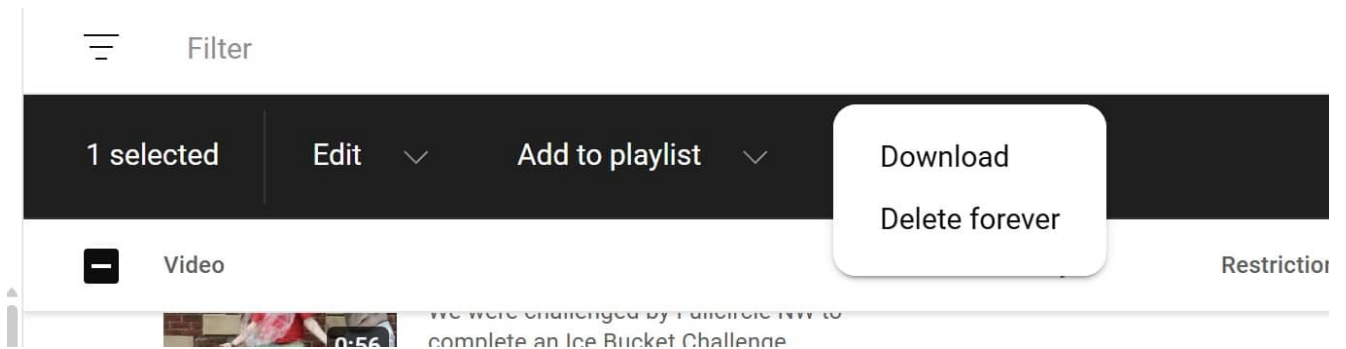

The screenshot shows the YouTube channel page for 'Inclusive Bytes'. On the left is the navigation menu with options: Home, Shorts, Subscriptions, You > (expanded to show History, Playlists, Your videos, Watch Later, Liked videos), Videos, Posts, and a search icon. The channel header features the 'Inclusive Bytes' logo (a stylized 'B'), the channel name, and details: '@InclusiveBytesTV · 5 subscribers · 15 videos'. Below this are buttons for 'Customise channel' and 'Manage videos'. The main content area is titled 'Videos' and includes tabs for 'Latest', 'Popular', and 'Oldest'. Two video thumbnails are visible: one showing a person being doused with water, and another titled 'HOW WAS IT?'.

Select the check mark next to the video you want to delete and then click “More Actions” at the top of the list.

The screenshot shows the YouTube Studio 'Content' page. On the left is the 'Your channel' sidebar with a menu: Dashboard, Content (selected), Analytics, Community, Subtitles, and Copyright. The main area is titled 'Videos' and includes a 'Filter' button. A dark action bar at the top of the video list shows '1 selected' and buttons for 'Edit', 'Add to playlist', and 'More actions'. The video list has columns for 'Video', 'Visibility', and 'Restrictions'. The third video in the list is selected with a checkmark in the first column.
