Deleting a Youtube video

In order to delete a Youtube video you will need to navigate to youtube.com and then login to your account.

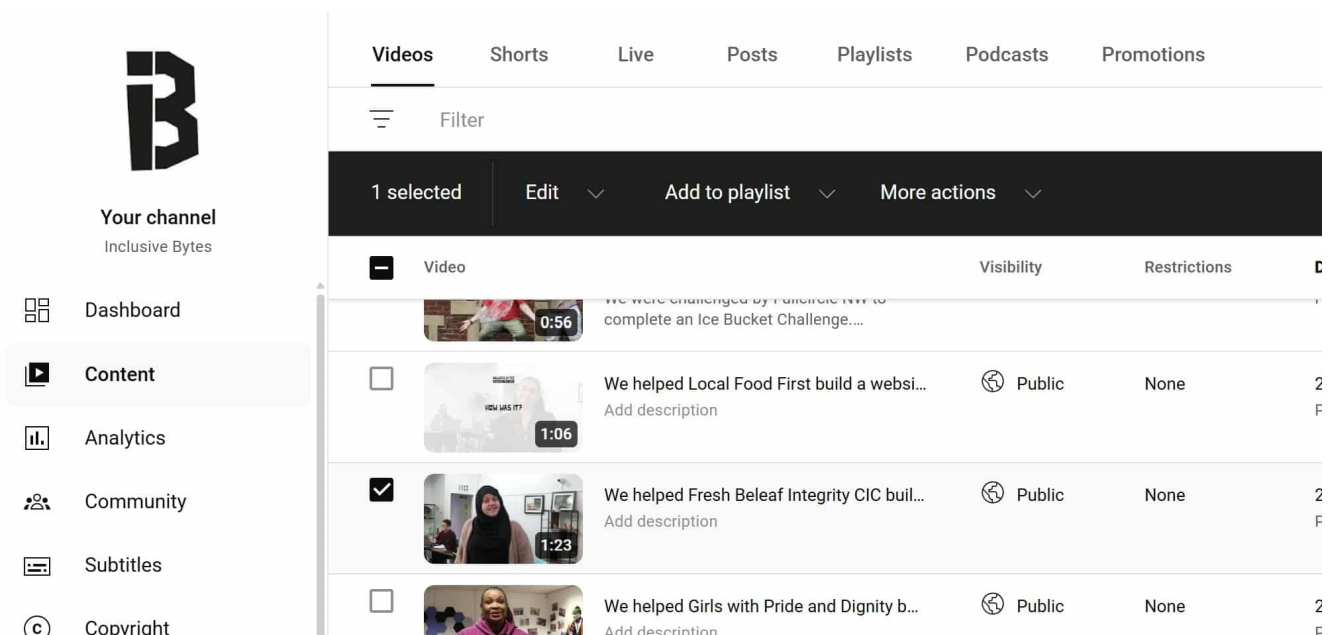

Once logged in click on your profile icon in the top right hand corner and select "View your channel".

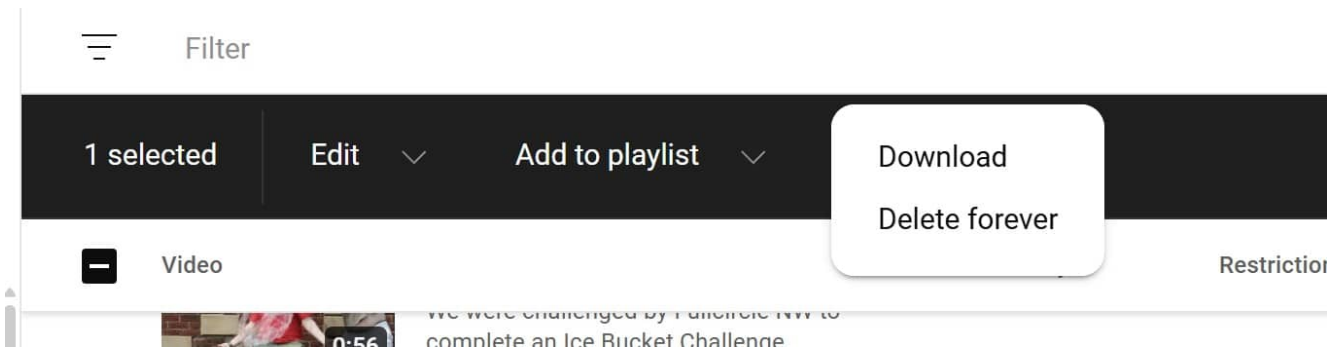

Then select “Your videos” from the left hand navigation menu.

Select the check mark next to the video you want to delete and then click “More Actions” at the top of the list.

Click “More actions” at the top to reveal the menu, then click “Delete Forever”
