How do I licence Gravity Forms?

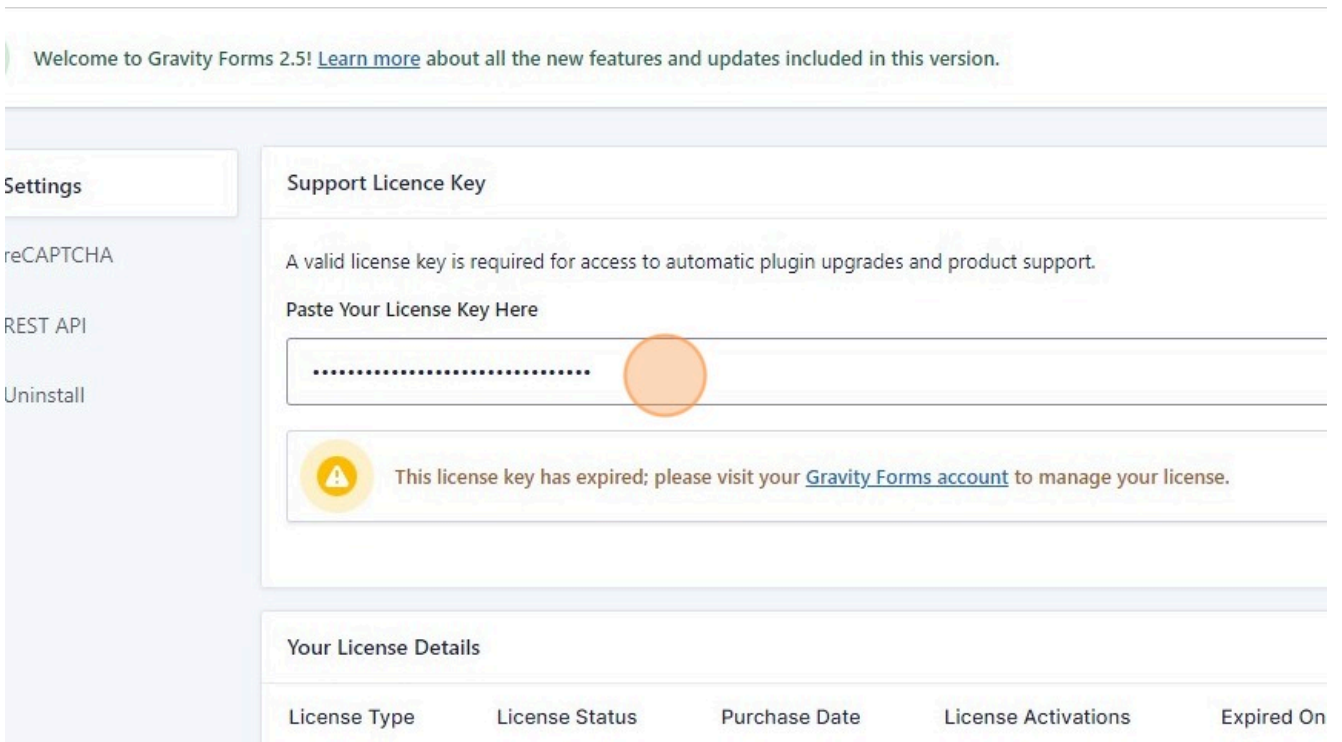

1. Navigate to <https://yourwebdomain.co.uk/wp-admin>
2. Click here.

The screenshot shows the WordPress dashboard interface. On the left sidebar, the 'Forms' menu item is highlighted with a red circle and a notification badge. A dropdown menu is open for 'Forms', listing options: Forms, New Form, Entries, Settings, Import/Export, Add-Ons, System Status, and Help. In the main dashboard area, a notification states: 'There is an update available for Gravity Forms. [View Details](#)'. Below this, the 'Site Health Status' widget shows a yellow circle and the text: 'Your site has critical issues that should be addressed as soon as possible to improve its performance and security. Take a look at the 5 items on the [Site Health screen](#).' Other visible widgets include 'Posts', 'Divi Overlays', 'Media', 'Pages', 'Comments', 'Studiocart', 'Appearance', 'Plugins' (with a notification badge), and 'Users'.
