How do I update WordPress Themes?

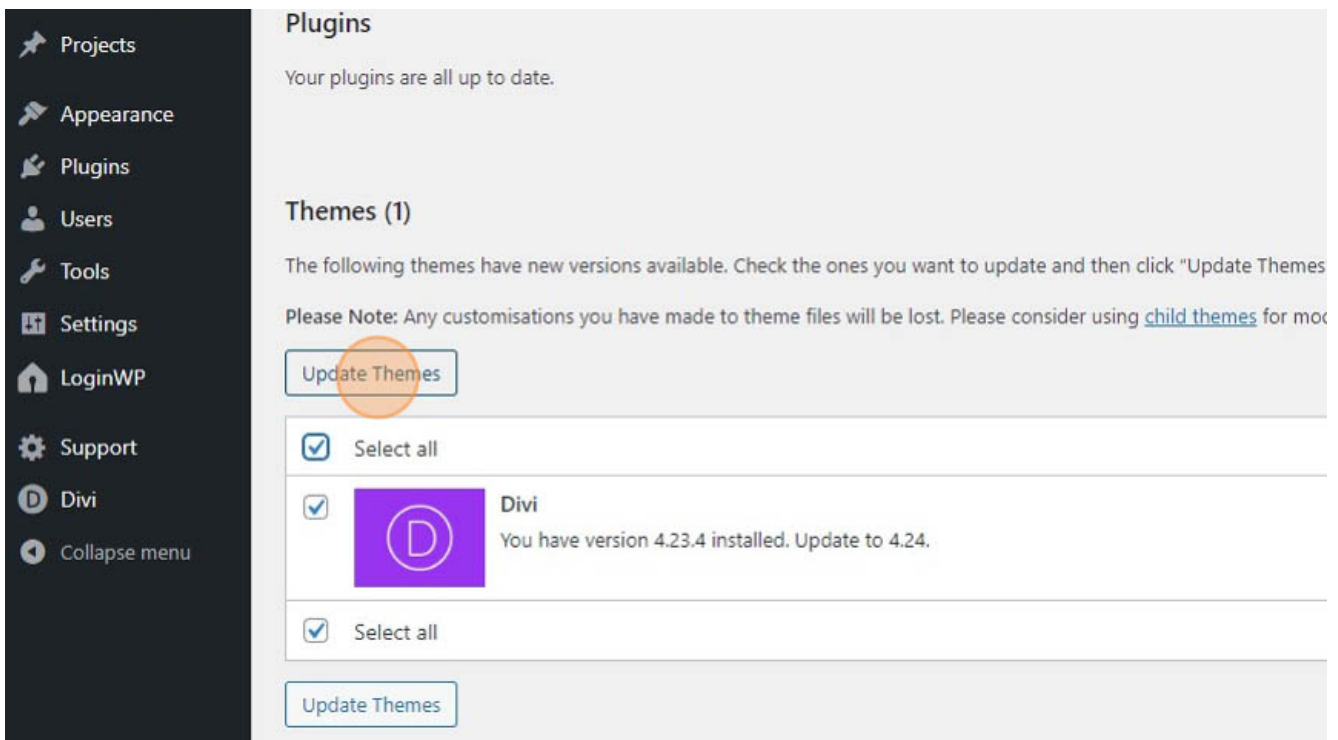

1. Navigate to <https://yourwebdomain.co.uk/wp-admin/>
2. Click “Updates”

A screenshot of the WordPress dashboard for a site named 'Van Diesel Transport'. The dashboard is in a dark theme. On the left sidebar, the 'Updates' menu item is highlighted with a red circle and a red notification badge showing the number '1'. The main content area shows the 'Dashboard' title and several widgets. The 'Site Health Status' widget indicates that the site's health 'Should be improved' and lists 6 critical issues. The 'At a Glance' widget shows 1 Post, 1 Comment, 6 Pages, and 19 Comments in moderation. The 'Activity' widget shows 'Recently Published' content. On the right side, there is a 'Quick Draft' section with a 'Save Draft' button and a 'WordPress I' section with the text 'Attend an up'.

3. Click the "Select all" field.

4. Click this button.
