How do I use the visual builder?

Navigate to the page on your website that you wish to edit.

At the top of the page click “Enable Visual Builder”

If you cannot see enable visual builder you will need to [log in to your website](#) first.

As you move around the site coloured blocks will appear, these allow you to edit the various parts of the page.

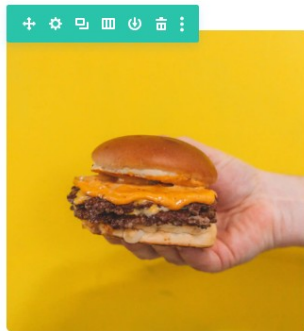

Blue – Sections

Green – Rows

Grey – Modules

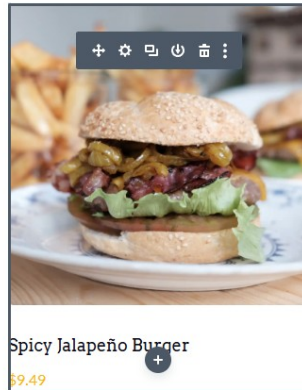

Classic Cheeseburger

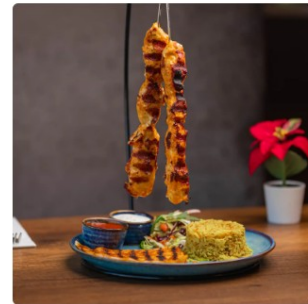

Smoky BBQ Burger

\$8.99

Spicy Jalapeño Burger

\$9.49

Bacon Lover's Burger

\$10.99

On the coloured blocks you will find a number of icons.

The cross allows you to drag items to another position.

The cog allows you to edit the item

The 2 boxes duplicate an item

The three columns allow you to change how many columns are in the current row.

The download icon lets you import/export an item

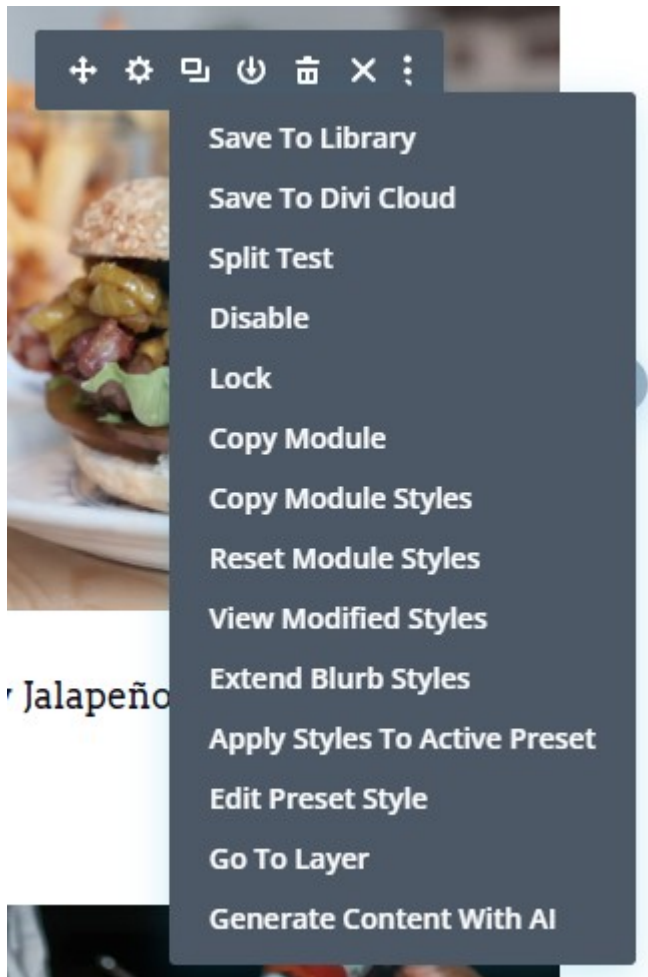

The bin deletes the current item

The X hides the menu

The 3 dots give you more options (see below)
