How to delete cookies on google chrome easily

How to delete cookies on google chrome easily:

- First from the browser click the three dots in the top right corner.
- Then go down and click on settings.
- After that find the privacy page.
- From there you'll see an option to delete browsing data which includes history, cache and cookies.
- If you don't want to delete everything else with it you can choose to block third party cookies using the privacy page.
