How to turn different files (images, videos, HTML) to a PDF files.

Step 1:

Go to chrome or google and search for I love PDF(<https://pdfaid.com>) and click on the first website that pops up.

Step 2:

Click on the PDF converter on top of the screen and choose which converter you want to use e.g. PDF to Word and Excel to PDF.

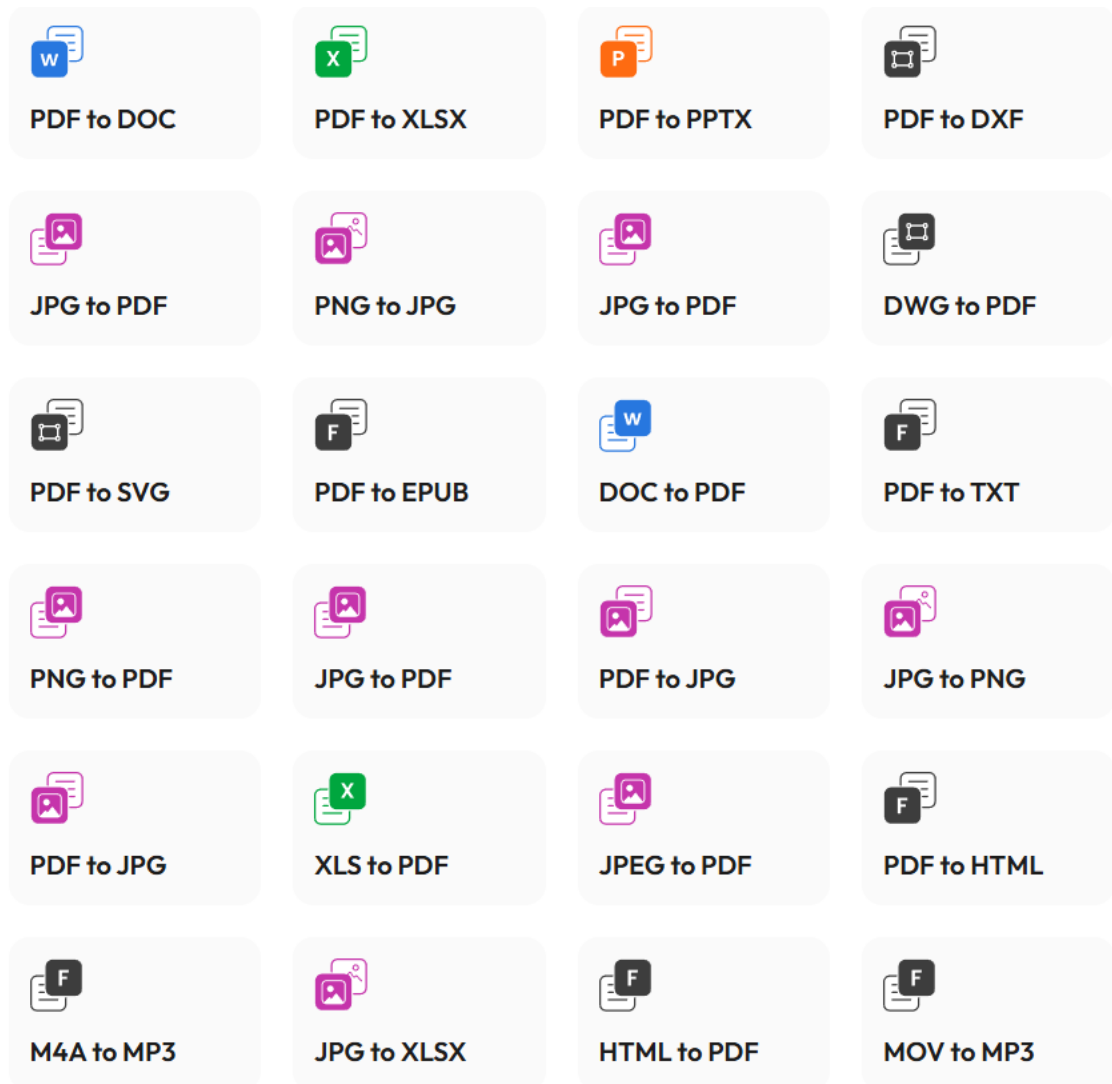

Step 3:

Upload your files which you want to turn into a PDF file and wait for it process it.

Step 4:

Download the file and it should be in your file explorer, in the download section.

The type converters:
