How to use amazon

<https://www.amazon.co.uk/>

1. Enter the website and log in, you don't need to log in but being logged in lets you buy items and put them in on the watchlist.
2. When you enter the page you'll see a lot of items and categories. if you don't have a specific product in mind then just click the category that matches the type of item you're looking for, if you don't have type of item then just keep browsing till something interests you.
3. If you're looking for an specific item, put it in the search bar and then from there you'll only see items that are related to your search.
4. On the left you'll see filters that can help you find better deals or remove products that you don't want to see.
5. After that find an item you'd like to buy and purchase it.
